

## All Natural Walnut Shell Hand Soap

**"THE SOAP MECHANICS USE TO LEAVE DIRT AT WORK"**

### Protects Your Skin Before Cracks Begin

Perhaps the biggest complaint of any one who works year round with their hands is what chemical soaps do to their skin, especially in the winter. That's why Beaudry Oil & Propane came up with Beaudry Walnut Shell All Natural Hand Soap. Because it's all natural with real walnut shells and essential oils, it removes the grease and grime but bathes your hands in oils that "protects your skin before cracks begin".

### Our Beaudry Soap comes with:

- A FREE dispenser
- 4 Gallons per case
- FREE sample size
- Also comes in 16 oz. bottles  
12 per case for use inside  
your truck or at home
- Convenient delivery
- MONEY BACK GUARANTEE  
If our product does not clean  
and soothe as advertised,  
we will pick up the unused  
portion and refund your money

We are certain our product will become your favorite shop or home hand soap!
