

100% Granular Clay Absorbent

Floor Dry

Thrifty-Sorb

THRIFTY-SORB® Multi-Purpose Absorbent:

- Made from Montmorillonite Clay, a naturally occurring mineral, with superior absorptive ability
- Liquids adhere to the surface pores allowing quick cleanup of water, oil, grease, water coolant, and much more
- #1 Automotive Retail Product
- Versatile for all non-aggressive fluid cleanup
- Suitable for home and work environment
- Smaller particles allow product to be more concentrated permitting quicker absorption
- 100% Natural Mineral
- NSF Registered

THRIFTY-SORB® Floor Dry is perfect for a variety of applications:

- Automotive Retailers, Dealers, Repair Garages, Body Shops
- Hydraulic and Chemical Spills
- Manufacturing Facilities
- Residential: concrete driveways, garage floors, bottom of garbage can to absorb moisture, paint spills

AVAILABLE IN: 40lb bags
